

# Going for Growth

How Redstones **help franchisees** effortlessly **expand their business portfolio.**

As many of our Redstones franchisees begin to establish their businesses, they find themselves in the fortunate position of being able to expand.

## One of the effective ways...

...for them to grow is to acquire existing property companies, including their property portfolio and letting databases.

Our **skilled and experienced Business Acquisition team** are **committed to helping franchisees flourish.**

We guide franchisees wanting to expand through the entire acquisition process, including finding the businesses that are the best fit for the franchisee, financing the business deal and managing the entire legal process involved.

# Successful business growth...

is made **so much easier** as expert advice is on hand, every step of the way

**Our Services Include:**

- **The appointment** of an Operations Specialist, who offers a personal service in regards to Redstones Portfolio Acquisition
- **Sharing** of knowledge and advice during the initial stage
- **Valuable** guidance through the critical stages of launch and expansion
- **Assistance** with special projects, such as recruitment and acquisition
- **Financing** part of your business acquisition plans (subject to terms and conditions), whilst offering access to legal experts

Also, in contrast to similar services, we are extremely fair on fees because we're committed to helping franchisees in achieving their ambitions to grow.

Make your plans for a prosperous property business empire a reality. For increased profits and to ensure your business grows quickly and effectively, contact the Business Acquisition team on
